

Dangerous Goods Certificate - Training Provider

Certificate Number DGT 148

Valid until: 17-Jun-2030

Pursuant to the United Arab Emirates Federal Act No. 20 (1991), Civil Aviation Law Article 27 and Civil Aviation Regulations (CAR) Part VI and subject to the conditions specified below, the General Civil Aviation Authority hereby certifies:

Dynamic Advanced Training Mohammed bin Rashid Aerospace Hub

As compliant with the Dangerous Goods certification requirements and approved by GCAA as per the current Civil Aviation Regulations (CAR) Part VI.

Conditions:

1. This certificate shall remain valid provided that:
 - a) Full and continuous compliance with the applicable provisions of CAR Part VI is maintained;
 - b) The required Security Clearance remains valid; and
 - c) Dangerous goods training is conducted strictly for the functions specified in Appendix 1 of this certificate.
2. The GCAA shall continue to exercise its Dangerous Goods oversight responsibilities, including routine and annual surveillance through audits, inspections, and compliance monitoring, in order to verify the adequacy and continued compliance of the Dangerous Goods training material, training delivery, instructor competency, and the Training Provider's overall conformity with the applicable provisions of the current CAR Part VI.
